

# PACKAGING SOLUTIONS

## MODULE 1

### CMD MULTI-LANE STICK PACK MACHINES

High precision, up to 12 lanes,  
multi-head piston filler

## MODULE 2

### SS HMI HIGH-SPEED POUCH PACKING

Continuous heat & filling, SS 304  
frame, minimized maintenance

## MODULE 3

### SPECIALIZED OIL POUCH PACKING

PID temperature control for oil film  
mechanical system, no compressor

## MODULE 4

### MULTI-HEAD ROTARY BOTTLE FILLING LINE

Automatic accurate filling,  
up to 6 head, - water, juice, soda

Precision | Speed | Innovation Since 2008

DOWNLOAD OUR FULL PRODUCT OVERVIEW BROCHURE (PDF)

- Continuous heat system no any Cooling water required
- Continuous filling system no air required
- All parts and frame SS 304 material with cliding cover to machine
- PLC controlling system
- Auto cut off system end of film
- Auto tunings system minimum maintenance

SAI  
SEAL

- Continuous heat system no any Cooling water required
- Continuous filling system no air required
- All parts and frame SS 304 material with cliding cover to machine
- PLC controlling system
- Auto cut off system end of film
- Auto tunings system minimum maintenance

# SAI SEAL

## POUCH PACKING MACHINE

- ✓ Continuous heat system no any cooling water required
- ✓ Continuous filling system no air required
- ✓ All parts and frame SS 304 material with cliding cover to machine
- ✓ PLC controlling system
- ✓ Auto cut off system end of film
- ✓ Auto tunings system minimum maintenance

# SAI SEAL

## POUCH PACKING MACHINE

- ✓ Continuous heat system no any cooling water required
- ✓ Continuous filling system no air required
- ✓ All parts and frame SS 304 material with cliding cover to machine
- ✓ PLC controlling system
- ✓ Auto cut off system end of film
- ✓ Auto tunings system minimum maintenance

# BOTTLE FILLING MACHINE

Automatic | Accurate | Reliable

200ml to 1 ltrs

Speed  
20 to 35  
bottles per mins

Available in  
2, 4, 6 Head

HMI PLC  
Control

Vibrator Bowl  
Feeder for Caps.

Soda Variant  
Also Available!

## ACCURATE

High precision filling for consistent results

## RELIABLE

Built with superior quality SS 304 material

## HYGIENIC

Sleek design for easy cleaning & maintenance

## EFFICIENT

High speed performance with minimal downtime

PERFECT SOLUTION FOR WATER, JUICE, SODA & OTHER LIQUIDS

# THANK YOU FOR EXPLORING OUR SOLUTIONS

With a commitment to precision, speed, and innovation since 2008, Sai Seal provides unmatched packaging and filling machinery to streamline your operations. Your success is our mission. For consultation, custom machine configurations, or full system inquiries, our team is ready to serve you.
